9. Payment. Subject to the terms and conditions set forth in this Contract, the Department shall reimburse the CSA for the functions it performs and services it provides or purchases as set forth in Section 3. Payments by the Department under this Contract are contingent upon: (a) substantial compliance by the CSA of all responsibilities identified in this Contract, and in accordance with state and federal laws; (b) authorization of Wisconsin and federal laws and availability of federal funds; (c) approval of cost allocation plans and of expenditures for non-expendable personal property by state and federal cost allocation units; and (d) in addition to the provisions of Section 9.7, the Department may reduce payments pursuant to state or federal audits. However, legislative authority is required for imposition of any federal Performance Audit/Review sanctions. Routine financial audits, such as performed under the single audit, do not require legislative authority.

9.1 Advance Payments. The Department shall make advance payments to the CSA based upon the following schedule:

Payments for January, and February shall be made on the fifth of each of those months in amounts based on one-twelfth of the contracted amount shown in Exhibit 1 and as specified in this Section. A report will accompany each monthly payment made under this Contract identifying which portion of the payment is attributable to Exhibit 1.

9.2 Recovery of Advance Payments. Payments for November and December expenses will be adjusted as follows:

9.2.1 November 2005 Expenses. November 2005 expenses reported in December will be adjusted against one-half of the outstanding payments (which were issued in January and February 2005) when the reimbursement for November actual expenses is made.

9.2.2 December 2005 Expenses. December 2005 expenses reported in January 2006 will be adjusted against one-half of the outstanding payments (which were issued in January and February 2005) when the reimbursement for December actual expenses is made.

9.3 Reimbursement Claims. Claims for reimbursement of allowable costs shall be submitted monthly. If the expenditure report is received on or before the 23rd day of the month following the report month, the deposit to the CSA's account will be made by the Department by the 30th day of the month. The CSA must have a direct deposit account and provide DWD Finance with an account number allowing access for Automated Clearing House (ACH) deposits.

9.4 Total Net Reimbursement. Total net reimbursement to the CSA for allowable expenses shall not exceed the contracted amounts specified in Exhibit 1 of this Contract as adjusted by the terms and conditions of Contract exhibits, attachments and addenda less any expenditures owed the Department under this or other departments and CSA contracts.

9.5 Final Reimbursement Claims. The CSA shall submit all claims for reimbursement under this Contract to the Department within 90 days of the end of the Contract period, and the Department shall make final payment within seven months of the end of the Contract period. The Department may grant an exception to the 90-day timeframe.

9.6 Additional Claims Related to the Single Audit. Claims for allowable costs not reported within 90 days of the end of the Contract period or within the extended period if an extension is granted will be submitted for federal reimbursement if (a) the costs are identified as a finding in the CSA Single Audit, and (b) the CSA's Single Audit report is received within the mandated timeframes. Any federal reimbursement received will be passed on to the CSA as a part of the audit resolution process. The Department shall allow a claim as a result of a subsequent audit approved by the Department which identified a Department error. The CSA may offset additional claims identified in an audit against audit exceptions up to the amount of the exception.

9.7 Payment Adjustments. The Department may increase or decrease or delay the monthly payment under one of the following conditions. The parties shall negotiate the timing and payment schedule of any adjustments under Sections 9.8 and 9.9. The Department will only withhold funds of a CSA which is in non-compliance with Contract or program requirements. Agencies which are in compliance will be paid the amounts due.

9.7.1 Untimely Expenditure Report. If the CSA does not give the Department the required expenditure report by the due date and the Department caused the delay, this provision is waived. Should there be extenuating circumstances which prevent the CSA from sending a report, it is the responsibility of the CSA to see that the Department is properly notified prior to the due date of the report.

9.7.2 Functions Performed Do Not Meet Requirements. The Department determines that the functions performed by the CSA do not meet state or federal statutes and requirements following an opportunity for corrective action as described in Section 9.7.2.1.

9.7.2.1 Corrective Action. The Department will notify the CSA of items that require corrective action and the need for the CSA to develop and submit a Corrective Action Plan. The response must be submitted within 10 days of the date of the notice under this section, unless the Department approves an extension. A failure by the CSA to submit a timely and approvable Corrective Action Plan or a failure by the CSA to fully implement the Department-approved Corrective Action Plan shall result in a payment reduction to be determined by the Department.

9.7.3 Payments Made to the CSA when the Contract Was Not Fully Expended. The CSA does not refund monies that the Department paid to the CSA pursuant to the beginning of the new Contract period between the Department and the CSA and that the CSA has not spent or encumbered by the end of the Contract period.

9.7.4 Payment Adjustments after the End of the Contract Period. Within 90 days of the end of the Contract period, the CSA will inform the Department that it will refund to the Department within 120 days of the end of the Contract period, any funds received pursuant to this Contract that are unspent or unencumbered prior to the end of the Contract period. If the CSA does not provide a refund check, the Department will adjust funds under Section 9.7 as part of the Contract year reconciliation process.

9.8 Audit Adjustments.

9.8.1 Audit Adjustment Determination. The Department determines, pursuant to an audit under Section 11, that there is an error in the CSA's fiscal and service records for this Contract or previous Contracts and the Department submits the draft audit report of the error to the CSA within 30 months of the expiration of the Contract. The Department shall limit the increase or decrease to the audited error and shall confer with the CSA before increasing or decreasing the monthly payment for this Contract. The parties may negotiate the timing and amount of the adjustment at the CSA's request.

9.8.2 Advance Notice. The Department shall provide 30 days advance notice to the CSA when an increase, decrease or delay in payment will be made pursuant to Section 9.7. The Department will schedule a conference to resolve the issue which gave rise to the notice before the imposition of the decrease or delay. The CSA may pursue its right to appeal the Department's decision as provided by Section 13 and 14 of this Contract after the imposition of the decrease or delay or sooner if both parties agree there is an impasse.

9.9 Reconciliation with County Clerk's Records. A reconciliation should be performed between expenditures and revenues recorded at the county's office and those on the County Clerk's accounts together with any journal entries. It is advisable to obtain copies of the County Clerk's expenditure and revenue accounts pertaining to the CSA to perform this reconciliation. A work sheet shall be prepared at year-end showing the final reconciled balances and adjustment made by the CSA. If a reconciliation has not been completed at the time the Department completes its audit, the Department will conduct a reconciliation at the expense of the CSA.

10. Records, Reporting, Monitoring and Security.

10.1 Record Keeping Requirements. At least 45 days prior to the effective date of any Department reporting or record keeping requirement issued after the beginning of the Contract period, the Department shall provide the CSA with written notice of such a proposed reporting or record keeping requirement and allow the CSA an opportunity to review and comment on such a requirement. The CSA may comment on its own behalf or use a Single Point of Contact to communicate its concerns. Reporting and record keeping requirements which are the result of changes in federal or state laws, rules and regulations or any court actions may be implemented by the Department without strict compliance with the above-stated notice and comment requirements. However, the Department shall make every reasonable effort to solicit comments from the CSA prior to implementing such record keeping and reporting requirements.

10.2 Records Maintenance. The CSA shall maintain such fiscal records, financial statements and necessary evidences of accounting procedures and practices sufficient to document the funding received and disbursements made under this Contract.

The CSA shall maintain such records, reports, evaluations, or other documents which are specified as needed by the Department for monitoring and auditing. Maintenance of such records, irrespective of the reporting requirements, are subject to manual provisions allowing destruction of records. The CSA shall furnish such reports and documents to the Department in the format and according to the schedules, as the Department requires. These reports must be in compliance with Department reporting instructions. The Department shall evaluate and monitor compliance with reporting instructions.

10.3 Records Availability. All records maintained by the CSA pursuant to this Contract shall be available to the Department on request and with adequate notice for inspection, examination or audit. Except when the Department determines that unusual circumstances exist, the Department will give the CSA at least five working days written notice unless the CSA consents to a shorter time frame. The Department shall monitor its request for reports and evaluations to eliminate present and prevent future duplicate requests being sent to the CSA.

10.4 Federal or State Authority to Review Documents. Notwithstanding the above, nothing in this Contract shall be construed to limit, modify or extinguish any federal or state CSA's legal authority to inspect, audit or have access to any records, financial statements or other reports maintained by the CSA or to modify or limit the CSA's legal obligation to maintain any record or report required by state or federal statutes, rules or regulations.

11. Annual Audit.

11.1 Single Audit Requirement.

11.1.1 Hiring an Independent Auditor. The CSA shall hire an independent auditor to conduct a Single Audit pursuant to OMB Circular No. A-133 (Revised 8/98 or its replacement), Department of Administration Audit Guide and audit guidelines established and provided by the Department. The audit shall be completed and a report submitted to the CSA no later than nine (9) months after the end of the CSA's fiscal year unless an extension is granted by the cognizant state CSA for the audit (Department of Health and Family Services). The CSA shall incorporate by reference in the engagement letter (Contract with the independent auditor), OMB Circular No. A-133 and any federal and state audit guidelines.

11.1.2 Technical Assistance. The Department agrees to provide technical assistance to the CSA that may include providing the independent auditor with financial information from Department records, work papers, and draft report review and attendance at conferences.

11.1.3 Submitting the Single Audit Report. The CSA agrees to provide to the Department one copy of the resultant audit report including the management letter and any supporting documentation required by the Department within 30 days after acceptance by the CSA and no longer than nine (9) months after the end of the CSA's fiscal year unless an extension is granted by the cognizant state CSA for the audit (Department of Health and Family Services). The audit report shall be made up of at least the following based on OMB Circular No. A-133: (a) the auditor's report on financial statements; (b) a schedule of federal and state assistance; (c) the financial statements; and (d) a schedule of federal and state grants by program including program disbursements; program revenues; net variance to be resolved; the auditor's report on the study and evaluation of internal control systems; the auditor's report on compliance including the specific identification of questioned costs, audit adjustments, audit exceptions and the management letter.

11.2 Department Reviews.

11.2.1 Financial and Compliance Review. In the event that the Department conducts a financial and compliance review, it will include the examination of records maintained by the CSA. The review shall be conducted in accordance with the Department procedures. This review will not supplant the requirement to conduct a single audit of the CSA.

11.2.2 Review Scheduling. The Department shall schedule a mutually acceptable entrance date with the CSA with at least a thirty (30) day advance notice or an earlier date, if mutually agreed upon. The Department shall provide the CSA with advance written notice stating the purpose and scope of the review.

11.2.3 Review Report. The Department agrees to provide the CSA with a copy of the resultant report, management letter, and supporting documentation upon completion of the financial and compliance review.

11.2.4 Draft Review Report. The Department agrees to complete a draft review of the CSA within 24 months of the expiration date of the Contract year to be reviewed. The time limit for submitting a draft review report to the CSA may be extended by mutual agreement.

11.2.5 Independent Financial and Compliance Review. The Department reserves the right to conduct an independent financial and compliance review of the CSA if the CSA fails to secure a Single Audit covering all Department funds. In the event that the CSA fails to secure a Single Audit, Department costs for completing a financial and compliance review will be charged back to the CSA.

11.2.6 Additional Review Resulting From the Loss of Federal Funds. The Department may conduct an additional review if a CSA action not identified in the Single Audit results in the loss of federal funds. This additional Department review will determine if an audit exception is appropriate.

11.2.7 Audit Resolution. The Department will initiate resolution of findings with the CSA pursuant to Audit Resolution policies developed by the Department. Nothing in this Section shall be construed to govern the acceptance or guidance of the CSA by any state agency other than the Department of Workforce Development.

11.3 Audit Disallowance.

11.3.1 CSA Liability. The CSA shall be liable for the entire amount of the audit adjustment attributed to the CSA. The actual amount of a disallowance against the CSA shall be determined through the Department's Audit Disallowance policy as stated in the Department's Financial Management Manual.

11.3.2 Fiscal Sanction. No fiscal sanction shall be taken against the CSA unless it is based upon a specific policy which was: (a) effective during the time period which is being audited, and (b) communicated to the CSA department head or designee in writing by the Department or the federal government prior to the time period audited. No state audit adjustment for failure to meet the requirements of Section 3.1 and 3.2 shall be imposed for 60 days after the date the CSA receives written notice of the requirement. This 60 day hold-harmless period may be extended by the Department upon CSA proof of hardship. The 60 day hold-harmless period is not required if the State has been assessed a federal fiscal penalty because federal law and regulations or court order mandated the requirement and held the State to a more restrictive time period, or the requirement is the result of state law and administrative or court order that imposes a more restrictive time period and the imposition of a state fiscal penalty. These conditions in no way negate the CSA's responsibility to implement policies by their effective dates.

12. Administrative Review. The CSA shall be entitled to an administrative review conducted pursuant to the procedures stated below which are in effect for this Contract if both of the following occur: the Department and the CSA disagree about the interpretation of any provision of this Contract; and the disagreement concerns one of the following: (a) reconciliation of claims and reimbursements (review is through departmental conference); (b) any audit of the CSA as described in this Contract (review is through the audit resolution policy); (c) any audit resolution process (review is through the audit resolution policy; or, (d) any federal audit of the CSA or the Department (review is through the Administrator's Memo Series).

13. Disputes. The CSA's method of resolving any dispute or controversy arising out of or relating to this Contract shall be the complaint process provided in this section. The CSA may address a written complaint to the Chief Legal Counsel of the Department at the following address: Department of Workforce Development Chief Legal Counsel, P.O. Box 7946, Madison, Wisconsin 53707-7946. At the same time the complaint is filed with the Department's Chief Legal Counsel, the complaint also may be filed with the Child Support Policy Advisory Committee (with notice to the Chief Legal Counsel) for its next regularly scheduled meeting. If the complaint is not filed with the Child Support Policy Advisory Committee, the Chief Legal Counsel shall respond in writing within ten business days. If the complaint is filed with the Committee, the Chief Legal Counsel shall respond within ten business days of receipt of the Policy Advisory Committee's recommendation. Time periods may be extended by agreement of the Department and the CSA. If either the CSA or the Department's Contract Manager is not satisfied with the response, either the CSA or the Department's Contract Manager may request a review of the decision using the process in Section 14.

14. Hearings. If the Department and the CSA disagree about the interpretation of any provision of this Contract other than the disagreements described in Section 13 above and a substantial interest of the CSA is injured by an action of the Department, the CSA shall then be entitled to a hearing before the Wisconsin Division of Hearings and Appeals which must be requested within 60 days (including weekends and holidays) from the day the action in question occurred. The following procedures shall apply: (a) the Department shall schedule a hearing within 60 days (including weekends and holidays) of receipt of the appeal request; (b) both the CSA and the Department shall be entitled to one 30-day (including weekends and holidays) continuance of the hearing upon written notification to the other party and to the Wisconsin Division of Hearings and Appeals; (c) the hearing shall be conducted as if it were a Class 3 case hearing under Ch. 227 of the Wis. Stats. At the hearing, the parties may present evidence, call and cross-examine witnesses, and make arguments on the issues; and (d) either party may ask the Secretary of the Department to review the proposed decision within 30 days of its issuance. If neither party makes such a request within the 30 days, the proposed decision shall be final. If either party makes such a request within 30 days, the Secretary may allow both parties to file written arguments before a final decision is issued.

15. General Provisions.

15.1 Civil Rights Compliance Plan. The CSA shall have in place a current Civil Rights Compliance Plan ("CRC Plan") or letter of assurance in accordance with Department requirements covering the period of this Contract.

15.2 Non-Discrimination Policy. In connection with the performance of work under this Contract, the CSA agrees not to discriminate against any employee or applicant for employment because of national origin, age, race, religion, color, disability or association with a person with a disability, sex, arrest or conviction record, sexual orientation, marital status, political affiliation, military participation or use or non-use of lawful products off the employer's premises during non-work hours. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, the CSA further agrees to take affirmative action to ensure equal employment opportunities. The CSA agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the Division's Equal Opportunity Officer setting forth the provisions of this non-discrimination policy.

15.3 Equal Opportunity in Service Delivery and Employment. The CSA agrees that the CSA, its Service Providers and their subcontractors will comply with instructions for and requirements of the current version of the Department of Workforce Development Civil Rights Compliance Plan for Counties and Other Municipalities (DWD CRC Plan).

15.3.1 Compliance of Subcontractors. Requirements herein stated apply to any subcontracts. The CSA has primary responsibility to take constructive steps, as per the DWD CRC Plan instructions and requirements, to ensure compliance of subcontractors. As part of this responsibility, the CSA will require its subcontractors to develop and submit for approval a Civil Rights Compliance Plan. Where the Department has a direct Contract with a community CSA or vendor, the CSA need not obtain a Subcontractor Civil Rights Compliance Plan or monitor that CSA or vendor.

15.3.2 Monitoring the CSA's Compliance. The Department will monitor the Civil Rights Compliance of the CSA and will review that the CSA is ensuring compliance of its subcontractors with the instructions and requirements of the DWD CRC Plan. The CSA agrees to comply with Civil Rights monitoring reviews, including the examination of records and relevant files maintained by the CSA, as well as interviews with staff, clients, applicants for services, subcontractors and referral agencies. The reviews will be conducted according to Department procedures, through a Department determined monitoring schedule and/or to address immediate concerns of complainants.

15.3.3 CSA Cooperation. The CSA agrees to cooperate with the Department in developing, implementing and monitoring corrective action plans that result from complaint investigations or other monitoring efforts.

15.4 Debarment Certification. In conformance with federal law, the authorized CSA representative must review, sign and return the Certificate Regarding Debarment and Suspension form. (Attachment C)

15.5 Lobbying Certification. In conformance with federal law, the authorized CSA representative must review, sign and return with this Contract either the Certificate Regarding Lobbying form (Attachment A) or the Disclosure of Lobbying Activities (Attachment B).

15.6 Pro-Children Act. Since a portion of the funds under this Contract includes federal funds, the CSA agrees to comply with Public Law 103-227, also known as the Pro-Children Act of 1994. The law requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

15.7 Provisions of Services and Programs.

15.7.1 Funding Limitations. Except as provided in state and federal statutes, the CSA shall perform the functions and provide the services within the limits of State and CSA appropriations used to match State and federal funds.

15.7.2 CSA Funding. Nothing in this Contract shall be construed to require the expenditure of CSA funds, except as specifically provided herein and authorized by the CSA board.

15.7.3 Lawful Power and Duties. Nothing contained in this Contract shall be construed to supersede the lawful power or duties of the CSA. The CSA shall carry out its responsibilities under the sections of this Contract through its appropriate CSA departments.

15.8 Conditions on the Parties' Obligations. This Contract is contingent upon authorization of Wisconsin and United States laws and any material amendment or repeal of same affecting relevant funding to, or authority of, the Department shall serve to terminate this agreement except as further agreed by the parties hereto.

15.9 Entire Agreement. It is understood and agreed that the entire Contract between the parties is contained herein, and includes the Attachments and Exhibit 1 incorporated herein by reference. The Contract supersedes all previous commitments, promises, and representations; either oral or written, between the parties relating to the subject matter hereof.

IN WITNESS WHEREOF, the Department and the County have executed this Agreement as of the day and year first above written.
